Vector Molang
by ipzy

Instructions
It doesn't do anything, it's just an animation of the popular character, Molang! It's free to use if you want ~

**Instructions**

- **Rules**
  - You must credit me if you use any of these sprites.
  - You can edit them as much as you want.
  - Please don’t use these sprites to create characters for others. You can use them as a base for YOUR OWN characters only.

- Use the buttons to choose a category and the arrows to click.

---

**Notes and Credits**

- All art is by me!
- In the characters section are characters that do not belong to me (Alice and the White Rabbit, Isabelle, Mickey and Minnie Mouse, Sailor Moon, and the Scratch Cat).
- The song is Gake no Ue no Ponyo from Ponyo.

Instructions

edit: I updated almost all of the sprites to look cleaner and more contrasting! I also used the otter sprite from my new game, Tiny Town. The frog is supposed to look like keroppi!
edit: due to popular demand, the otter walks a little faster now
edit: Woah, I haven't been on scratch for like a month and I came back and I guess I got featured!!
